Response to Arguments

1. Applicant's amendments and accompanying arguments, see pages 12-19 of the remarks filed 7/3/06, with respect to claims 1-25 have been fully considered and are sufficient to overcome the prior art of record. The rejection of those claims has been withdrawn.

Allowable Subject Matter

2. Claims 1-25 are allowed.

Drawings

3. In order to avoid abandonment, the drawing informalities noted in the paper mailed on 3/22/2005 must now be corrected. Several of the drawings are too large and/or illegible. Due to the large number of drawings, an individual analysis of the drawings has not been done, and Applicant should ensure that all drawings are within the size limitations and are legible.
